LIVEWORKSHEETS

II. Read the text and choose the correct answer to each of the questions.

How to Avoid a Traffic Jam

It is common to get stuck in traffic jams in big cities, so here are some tips to help you avoid them. Firstly, avoid travelling during rush hour. You should know when rush hour takes place in your city then avoid it.

Secondly, learn other routes to get to your destination. You should use other routes that will take you to your destination. Sometimes you simply cannot avoid travelling during rush hour, but find new routes online to avoid the overcrowded roads.

Thirdly, listen to the radio for traffic alerts and updates. You never know when an accident or roadworks may delay you. If you hear about a possible interruption, choose a different route.

Finally, use public transportation when possible. If more people use public transportation, there will be less traffic on the roads. Public transport can not only save you money and time, but **it** can also help reduce air pollution.

1. Knowing when rush hour takes place can help you .....

A. avoid travelling during it

B. choose the shortest route

C. know about interruptions

2. If you travel to the same destination every day, it is necessary for you to .....
