

Descomponer los números menores que diez para restar.

Formamos números conectados para restar.

¿Cómo hallamos la parte que falta?

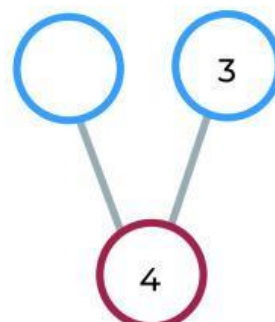

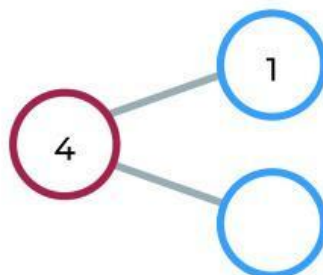

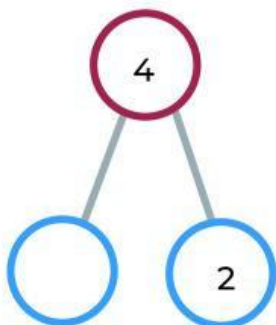

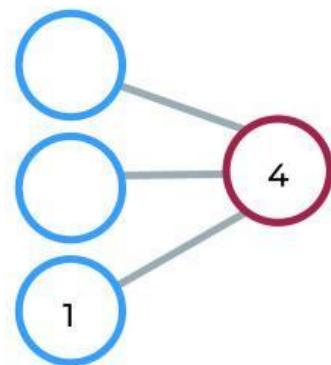

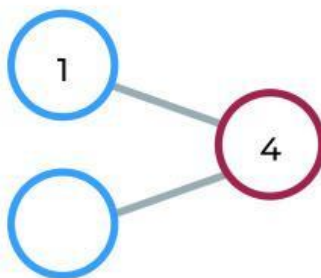

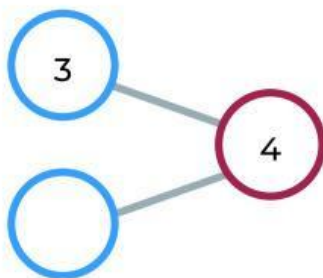

$$5 - 3 = 2$$

$$5 - 1 = 4$$

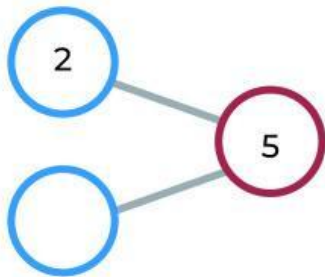

Formamos números conectados.

Hallamos la parte que falta para formar 4.

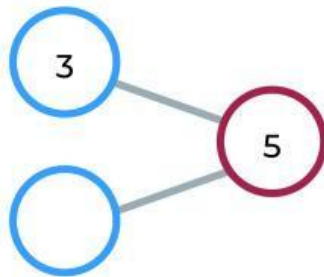

Descomponer números menores que diez para restar.

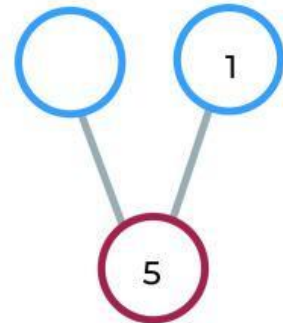

¿Qué números forman 5 ?

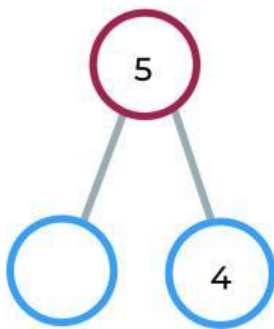

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

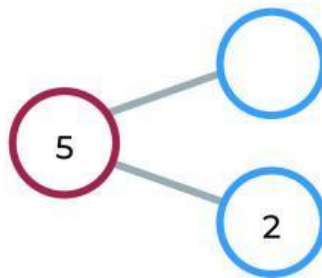

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

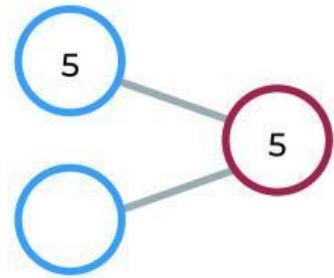

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$
