

Past Continuous Song – Rockin' English

I(laugh)

and you(smile).

Sun(shine).

and the birds(fly).

Wind(blow)

and the waves(break),

a million pictures we(take).

Yesterday was the greatest day of all.

because we(play) together all day long.

We(surf)

and(bike).

We (fish)

and we(hike).

I (drum)

and you(sing).

and the music really(swing).

Yesterday was the greatest day of all

because we(laugh) and playing our favorite song.

And I(dream) about you all night long.
