Listen to the text.

For statements 1-5 choose **True** if the statement is true according to the text, **False** if it is false.

You will listen to the text twice.

1 Emma is trying to do her homework.	**True**	**False**
2 Josh doesn't need his tablet at the moment.	**True**	**False**
3 It's Josh's birthday next week.	**True**	**False**
4 Katie is organizing a party.	**True**	**False**
5 Ben is on holiday now.	**True**	**False**
