Vocabulary Revision (A2/B1) — Units 1–4

A) READING

Hi! I'm Leo and I'm in my final term at school. My timetable is busy, so I do my homework right after the break. This week we have an assessment in English and I need to revise my notes.

Next year I want to study abroad, but first I must choose my degree. During induction week at the campus, I will attend a lecture in the main lecture hall and meet my personal tutor. I'm also doing an extra-curricular activity: a football club.

Last summer I did an internship in a small travel office. I dealt with the public, answered emails and worked from nine to five. The job was temporary and badly paid, but the training was useful.

Now I'm looking for a scholarship because student finance is expensive. If my train is delayed, I check a travel update app. The more I plan, the less stress I feel.
