Spring Cleaning

READING COMPREHENSION ACTIVITY

Spring cleaning is a tradition in many countries that takes place at the beginning of spring. After the long winter months, people often feel motivated to clean and organize their homes. Spring cleaning usually includes washing windows, cleaning cupboards, and throwing away things that are no longer useful. Some families also rearrange furniture or decorate their homes with fresh flowers. For many people, this activity is not only about cleaning but also about starting the new season with a fresh and positive attitude.
