

# GAME TIME

1. Work in two groups. You are going to conduct a survey to guess a famous artist.
2. Write questions using the categories in the box. Then add two more questions of your own.

*age / nationality / signature style /  
colours  
subject matter / famous works /  
married / children / life details*

3. Ask the pupils in the other group your questions and note their answers. Then combine your notes so you have information about the artist.
