

Marco's Daily Routine

My name is Marco and I am a university student in Valencia. My days are usually very busy, but I like to have a strict routine to stay organized.

Every day, I wake up at 7:00 AM. I don't get up immediately; I stay in bed for five minutes to check my phone. Then, I have a cold shower and eat breakfast with my roommate, Leo. We usually drink coffee and eat toast with tomato.

At 8:30 AM, I catch the bus to the university. My classes start at 9:00 AM and finish at 1:00 PM. After class, I go to the cafeteria. I always have lunch with my friends because we like to talk about our projects.

In the afternoon, my routine changes. On Mondays and Wednesdays, I work at a small coffee shop near the park. I help customers and serve drinks. On Tuesdays and Thursdays, I go to the gym for one hour because I want to stay healthy. I don't study at the gym; I just listen to upbeat music.

In the evening, I return home and do my homework. I don't watch TV during the week, but I sometimes play video games for twenty minutes to relax. I cook dinner at 9:30 PM, usually pasta or salad. Finally, I go to bed at 11:00 PM because I need to sleep eight hours to have energy for the next day.
