Speaking

1. Has there ever been a moment in your life when you had to emotionally come around after a painful breakup or shock? What helped you recover?
2. Have you ever strongly disagreed with someone you loved but eventually came around and changed your mind? What made you shift your perspective?
3. Is there someone who only comes around when they need something from you? How does that make you feel?
4. Do you think you've ever let someone down in a relationship? Did you apologize, or did you both just move on?
5. When it comes to love and friendship, do you prefer when someone says "It's up to you," or do you want them to take the lead?
6. Have you ever wanted a relationship to work so badly that you tried to make it happen, even when it was falling apart?
7. When you're down, do you isolate yourself, or do you reach out to someone you trust?
8. Has anyone ever told you to really look at them with your eyes during an argument, as if they were asking you to truly see them?
9. Have you ever been hurt in a way that made you emotionally bleed, even if you never showed it on the outside?
