### The Sorting Day

The year is 2099. In our society, your future depends on the Great Algorithm.

Tomorrow is the Sorting Day. I will be assigned to the Tech Faction if I (1) \_\_\_\_\_ the coding test. I need to memorize all the rules before the system (2) \_\_\_\_\_ my brain. My parents will receive the results as soon as the Algorithm (3) \_\_\_\_\_ its decision. I won't leave the testing room until the green light (4) \_\_\_\_\_ on the screen. I will hide a tiny microchip in my pocket in case they (5) \_\_\_\_\_ to wipe my memory. We will know our real destinies after the authorities (6) \_\_\_\_\_ the final lists. And when the ceremony (7) \_\_\_\_\_, everything will change forever. I will stay calm in case the guards (8) \_\_\_\_\_ my face. My friends and I will plan our escape before the city gates (9) \_\_\_\_\_. I will send a secret signal as soon as I (10) \_\_\_\_\_ a safe place!

### Project Echo: The Heist

Tonight is the night. The mission will fail unless we (1) \_\_\_\_\_ the mainframe's security code. You can join my crew provided that you (2) \_\_\_\_\_ every order without question. We will remain invisible to their drones as long as our signal jammer (3) \_\_\_\_\_ active. However, we will trigger a silent alarm as soon as we (4) \_\_\_\_\_ the vault door. They will probably hunt us down even if we (5) \_\_\_\_\_ the fastest hovercar in the city. So, take this EMP grenade in case the situation (6) \_\_\_\_\_ out of control. Don't start the data download until the main firewall (7) \_\_\_\_\_. We must wipe our digital footprints before the security system (8) \_\_\_\_\_ our location. By the time the elite guards (9) \_\_\_\_\_ at the facility, we will be miles away. When the planned blackout finally (10) \_\_\_\_\_ the sector, we will make our move.
