Hi, I'm Liam. I communicate with my friends and family in lots of different ways. I prefer to send text messages to my friends and family. I like text messages because they are short and easier than emails. I don't really send emails to my friends. Sometimes I write notes to my mum and leave them on the fridge. I always send cards for birthdays and other family occasions. I think greetings cards are important. I like to go online and post blogs. I've got a blog about our school trips. It's fun to write it and post photos. I don't like shopping so I never read adverts online or in newspapers. I sometimes read leaflets for concerts or festivals. I would like to learn sign language because one of my friends uses it but I don't know enough yet to use it to communicate with her.
