Ben Is Always Busy

Ben is always busy. Every day, he does his homework. He has many hobbies too. He plays football three times a week and does karate twice a week. He also goes swimming every Monday and always goes fishing at the weekend.

Because he has so many activities, Ben is always in a hurry. At dinner time, his dad tells him to wash his hands. Sometimes his mum says, "Hurry up! We're late!" At night, his dad tells him it is time for bed. Ben often feels upset and says, "Oh no! I need more time!" There is never time for him to relax.

The next day, Ben gets an idea. He thinks he can do his homework while eating breakfast. He even wonders if he can do karate while playing football. He asks if he can go swimming and fishing at the same time. Ben believes this will save him time.

But Dad has a better idea. He tells Ben to relax and explains that he cannot do two things at the same time. Ben understands and thanks his dad.
