THE SOUND OF VICTORY

Cambridge First (FCE) - Listening part 3

You will hear five different people talking about computer games.

For questions 1-5, you need to choose from a list of their views on computer games.

Each option should be used only once, and there will be three extra options you do not need to use

Read the options carefully before you listen. You can listen to the audio twice.

Speaker 1 ___

Speaker 2 ___

Speaker 3 ___

Speaker 4 ___

Speaker 5 ___

a) The nature of computer games could benefit society.

b) Restrictions are discouraging gamers from buying games legally

c) Too many children are addicted to online games.

d) Computer games prevent children from learning other things.

e) Game regulators need to take several things into account.

f) People are unnecessarily worried about the harmful effects of games.

g) Playing games is a highly effective way to learn a foreign language.

h) The cost of modern gaming hardware makes it an expensive hobby.
