Read the text and write T for True or F for False.

THE GREEN FINGERS FOREST CLEAN-UP PROJECT

On Saturday, 5 July, the Green Fingers Forest Clean-up Project is going to take place at Woodland Forest. The forest used to be the perfect place for hiking and camping. Now nobody goes there because it is very dirty. It is full of rubbish, like plastic bottles, cans and plastic bags. The rubbish pollutes the forest and is bad for all the plants and animals.

If you care about the environment, take part in our forest clean-up event. The clean-up starts at 8.00 a.m. and finishes at 3.00 p.m. Volunteers will meet in the forest car park at 7.30 a.m. and will receive rubbish bags and bottles of water. We expect hundreds of volunteers to join us, and we hope all local schools will take part. A barbecue is going to take place after the clean-up. Everyone is welcome! If lots of people join the clean-up, we can make Woodland Forest beautiful again!

T F 1. In the past, you could hike in Woodland Forest.

T F 2. Volunteers will start the work at half past seven in the morning.

T F 3. Volunteers have to bring bags and water.

T F 4. Food will be available at the end of the clean-up.
