

THE FESTIVAL

I _____ to a festival, a year ago,
I _____ my friends and we stole the show.
We _____ a video, it looked so good,
We _____ together like we knew we would.
I _____ some food and I _____ a Coke,
I had so much fun, yeah that's no joke.
We _____ a band and they sang so loud,
Everybody dancing in the crowd.
I _____ my jacket, red and black,
I _____ some photos for my backpack.
We _____ back home the day after that,
Four weeks ago... imagine that!
_____ you go? Did you see?
Did you make good memories?
Yes, I _____! I _____ a blast,
Talking 'bout the good old past!
