

**Task 2: Complete the following text using the correct forms of the words in 1.**

Nowadays, information on the Internet is (1)\_\_\_\_\_ very quickly. The Internet has also changed (2)\_\_\_\_\_ and forced newspapers and magazines to move online. However, not all information on the Internet is (3)\_\_\_\_\_. Some information sources on the Internet may spread (4)\_\_\_\_\_, which confuses people. Others may contain strong (5)\_\_\_\_\_ against certain groups of people in society such as women or old people. Therefore, users should be careful when accessing information on the Internet.
