I'm Henry and I live in Budapest, the capital of Hungary. It's in central Hungary, on the Danube River. Budapest is the country's largest city, and about 1,775,000 people live here.

There are lots of things to do in Budapest. You can walk around and visit some interesting places, like Budapest Zoo. I often go there with my family. You can also go on a boat ride on the Danube River. There are lots of bridges in the city, and one of the most popular is the Chain Bridge. Lots of people come to take pictures of it. However, the best time is in the evening, because it's very beautiful then with all the lights. On the Danube River, there's also a small island which is called Margaret Island. That's my favourite place! It's between Margaret Bridge and Árpád Bridge. I usually hang out with my friends there. We walk around or play football.
