KING ARTHUR AND THE SWORD

Merlin sees the sword, and he says, "Come with us to the stone, boy."

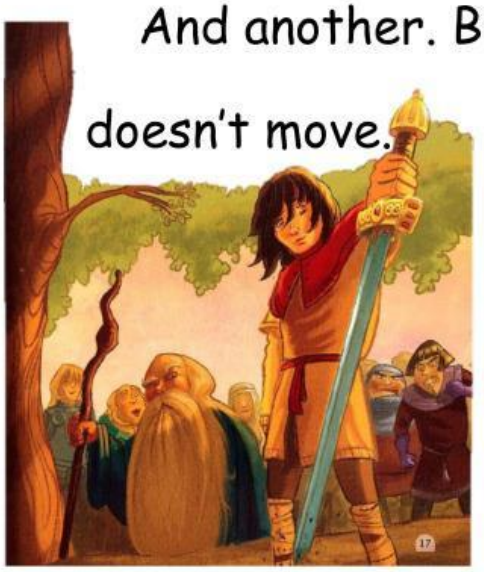

So Merlin, Arthur, and all the people go to the big stone. Merlin puts the sword back in the stone.

"I want to try," says one of the men. He comes to the stone. He pulls the sword, but it doesn't move.

Another man tries,

And another. But the sword doesn't move.

Then Merlin says Arthur, "Take The sword out of the stone boy."

Arthur goes to the stone. He pulls the sword... and it comes out.

"He is the king!" The people say.

I'm not the king," Arthur says. My father is Sir Ector."

Now King Uther's servant comes to Arthur and falls to his knees.

"Sir Ector is not your father," he says.

"You are the son of King Uther."

"And now you are king of England," says Merlin.

"We have a king!" the people Say. "England has a king!.
