

Set Fire To The Rain

I let it fall, my heart
And as it fell, you rose to claim it
It was dark and I was over
Until you kissed my lips and you
saved me

My hands, they're strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

But there's a side to you that I
never knew, never knew
All the things you'd say, they
were never true, never true
And the games you play, you
would always win, always win

But I set fire to the rain
Watched it pour as I touched
your face
Let it burn while I cry
'Cause I heard it screaming out
your name, your name

When laying with you
I could stay there, close my eyes
Feel you here, forever
You and me together, nothing is
better

'Cause there's a side to you that
I never knew, never knew

All the things you'd say, they
were never true, never true
And the games you'd play, you
would always win, always win

But I set fire to the rain
Watched it pour as I touched
your face
Let it burn while I cried
'Cause I heard it screaming out
your name, your name

I set fire to the rain
And I threw us into the flames
Where I felt somethin' die,
'cause I knew that
That was the last time, the last
time

Sometimes I wake up by the door
Now that you've gone, must be
waiting for you
Even now when it's already over
I can't help myself from looking
for you

I set fire to the rain
Watched it pour as I touched
your face
Let it burn while I cried
'Cause I heard it screaming out
your name, your name

I set fire to the rain
And I threw us into the flames
Where I felt somethin' die
'Cause I knew that that was the
last time, the last time... oh

Oh, no

Let it burn

Let it burn

Let it burn
