

1) Read the text and complete with the correct form of HAVE TO (affirmative or negative)

Your dad and I are going to be at home at 6 pm, so here are your jobs today!

* Sam, please take the dog for a walk in the park, but you don't have to feed him. You have to wash the dishes and recycle the rubbish, too. Remember to put the plastic, paper and glass in the different bins!

* Leah, please dig up the weeds and cut the grass. You don't have to give the plants water. Your dad did that, yesterday. You should feed the birds, too!

* Both of you – you should tidy your bedrooms and cook lunch! You shouldn't waste any food! And this evening, please cook dinner before we come home. There are pizzas, so it's not difficult!

See you this evening! Have a nice day!
