Read and circle T (True) or F (False).

I like Saturdays. I get up and I have breakfast with my family. I always have milk and cereal. My sister has bread and orange juice. Then I go to the park with my dad. We play games and we have fun. Look at this photo. We're playing soccer.

At night we have dinner. Mom always cooks my favorite food, chicken and salad. We watch TV. We always watch funny movies. Then I go to sleep. Look at me! I'm wearing my new pajamas. I love the weekend!
