A WALK IN THE PARK.

On Saturday morning, Julia decides to **go out** for a walk because she needs to **take care of** her neighbor's dog, Rocky.

She leaves her house and walks _____ the street to the small park near her neighborhood. Rocky runs happily _____ Julia because he is excited to play outside.

Near the park entrance, Julia throws a stick. Rocky runs quickly _____ a group of trees to find it. When he sees the stick, he jumps _____ a big rock and then jumps _____ it again.

The stick rolls _____ a small hill and stops near a wooden bridge. Rocky runs _____ the bridge and then continues _____ the path near the river.

After that, the dog follows the path _____ the river. Suddenly, the stick moves _____ a small tunnel under the road. Rocky runs _____ the tunnel and **picks up** the stick.

Finally, Julia calls Rocky, and they walk _____ the playground and go back home. Julia is happy because she always tries to **take care of** Rocky very well.
