How to Volunteer Abroad as a Nurse

Nursing volunteers are high in universal demand, particularly in developing countries, where the need is great and the appreciation for international expertise is even greater. International Volunteer HQ offers nursing volunteer abroad programs for both student nurse volunteers and registered nurses, allowing you the opportunity to provide assistance within understaffed hospitals and clinics, while engaging in a cross-cultural exchange and gaining invaluable nursing abroad experience unobtainable from a lecture hall.

When joining a nursing abroad program with IVHQ, you will always be in the company of like-minded nursing students and professionals from around the world, and our in-country team will ensure that you are well supported throughout your international nursing placement. If you're looking to organize a group of volunteer nurses to travel abroad with you, we make that easy to arrange also! With nursing volunteer opportunities abroad available in 15 destinations, keep reading to discover how to volunteer abroad as a nurse with International Volunteer HQ in 2023.
