

Point of View

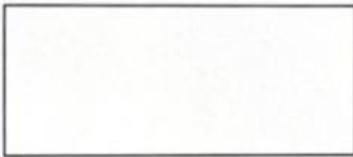

Read the four paragraphs below while thinking about the different points of view. Then, cut out the rectangles at the bottom of the page and glue them above the appropriate paragraph.

I was lying on the couch trying to sleep when I heard the doorbell ring. I rushed to the door, looked out the window, and started barking at the woman at the door. "Be quiet! Mom's trying to sleep," my owner whispered loudly to me. I headed back to the couch as the door was opened.

"Ding-dong!" I opened my eyes, wondering if I should go get the door or try to go back to sleep. Just as I had decided to try to sleep, Fido started barking loudly. "UGHHHH," I groaned, as I climbed out of bed. I headed for the front door just in time to see Adia taking a package out of the postal worker's hands.

This was my last stop of the day. I couldn't wait to get home and eat dinner. I climbed the steps and rang the door bell. A long haired dog ran to the window and started barking loudly at me. "Be quiet!" I heard a girl whisper. "Mom's trying to sleep!" The barking stopped as a brown haired girl opened the door. She signed for the package I had brought her. Finally I could head home!

I had just finished my homework when I heard the doorbell ring. Fido leapt off the couch, ran to the window, and started barking. "Be quiet! Mom's trying to sleep!" I told Fido. Fido crept back to the couch, as I opened the door. A postal worker was standing at the door, waiting for me to sign for a package.
