

(You never make it difficult)

I might \_\_\_\_\_ with perfection

But it comes with good intentions

All I know

I gotta \_\_\_\_\_

I don't do this for \_\_\_\_\_

It's a \_\_\_\_\_, a protection

It ain't my \_\_\_\_\_

It's under my bones

I got moods that linger like \_\_\_\_\_ smoke

I got dreams for days and then I hit a black hole

You say one thing \_\_\_\_\_ and it's a slippery slope

But ooh

You never make it difficult

So save me from \_\_\_\_\_

Loving me ain't \_\_\_\_\_ but

You never make it difficult

I get \_\_\_\_\_

And I know it don't \_\_\_\_\_

Loving me ain't \_\_\_\_\_ but

You never make it difficult

Ooh
