Is it snowing? Do we have classes? It might be a **Cyber Day**.

The school buildings are closed on Cyber Day.

This happens when roads are not safe.

All classes meet on **Zoom**.

Is it a Cyber Day? Go to PGCC.edu to check.

Check the website before you leave home..

Look for a big **orange banner** on the website. This banner has the date.

If it's a Cyber Day, Zoom is the only way.
