Read the text. **A Weekend Adventure** _____ **Reading**

Last weekend my friends and I decided to spend some time outdoors. We wanted to do something different from our usual free time activities like chatting online or watching films.

On Saturday morning we met in a small café in our town and planned our trip. After that we went to the river outside the city. The weather was warm and sunny, so we decided to go kayaking down the river. It was exciting but also a little difficult at first.

Later we walked through the forest. My friend Anna loves nature, so she recorded birdsong on her phone. We also tried to climb a tree and explore a small cave nearby.

In the evening we camped under the stars. We talked, laughed and cooked food over the fire. It was an amazing experience. I have never spent such a fun night outdoors before.

On Sunday morning we returned to town. Before going home we visited the market and bought some fresh fruit.

It was one of the best weekends I have ever had.
