Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

Family is the only place where children study a lot after school. In school, teachers teach children about the subjects which will help them to find a good job in the future. But at home, parents teach children about good habits. They are not only the elements which help the children to shape their personalities but they also prepare them for a suitable and bright future.

A good family makes a greater society. Father, mother, and children have to work in order to build a strong family. If any of them fails, the whole family may collapse. The good name of the whole family can be ruined by a single member of the family. In order to avoid that unhappy scenario, every family member has to work hard and try their best. As a result, they will set good examples for the whole society. Families have a powerful impact on society and societies create countries.
