READING

Read the text and answer the questions.

School sports day

Our local school, Croyde Bay High School, is going to have their sports day next week. It is a competition for all students in lots of different sports like football, swimming and running. Here's what some of the students said:

Josh

I love sports day! I'm going to be in three different competitions: football, swimming and cycling. I am the best in my class at swimming, so I think I am going to win! I won the cycling last year too! Also, our football team is the best too! I'm a good player!

Lily

I am a very fast runner, so I am going to be in two races. I think I am the fastest in my class. I am going to practise every day before sports day. I hope I win! I'm also in the football competition, but I am not very good at it. I don't like team sports very much.

Ryan

I am in the sports day basketball team. I'm really good at it because I'm the tallest in my class. I am not going to be in any other sports day competitions because I am not very good at sport and I don't enjoy it. I enjoy art and music.

Task 1
