C. In pairs, take turns saying one of your statements to your partner who guesses if it's true or false. You score one point for each correct guess. The student with the most points at the end of the game wins.

Example:

A: I visit the doctor every year.

B: I think that's true.

A: No, it's false. I never visit the doctor.

B: I don't listen to hip-hop music.

A: I think that's false.

B: Yes, that's right. I don't listen to hip-hop music. I listen to pop music.
