Part 4: Read the text and answer the questions.

Liam and his sister Emma love nature. They always try to save water and not waste food. One day, they saw a lot of trash on a hill near their home. They decided to clean it up. After a few hours, the hill looked beautiful again. They were happy because they helped the earth.

Later that evening, their parents were proud of them for their hard work. Emma suggested ((הציעה))that they talk to their neighbours about keeping the area clean. The next day, they made posters about recycling and saving the environment. Soon, more people joined them, and the neighbourhood became much cleaner. Liam and Emma felt proud that they made a difference.

1. Where did Liam and Emma find the trash?
 - a) in their backyard
