Getting the Most Money for a Used Car

Questions:

1. What will happen to my car's value if it has stickers on it?
2. I don't want to spend any more money on my old car. Do I have to?
3. Does where you live change the value of the car?
4. My windshield was hit by a rock. It's cracked. Is this important?
5. I'm a smoker. What can I do about the cigarette smell?
6. I changed some of the car's tires last year. What's your opinion about that?
7. Will the kind of fuel my car uses make a difference?
8. Are there colors of cars that people buy the most?

Answers:

a. Yes. Cars wear out more in hilly areas affecting how much you get for the car.
b. Tires in good condition get you a better price and even more if they are all the same make.
c. Cars need to be painted after stickers are removed because buyers may think they're old and used.
d. No one wants to buy a car that needs repairs, you may have more expenses before you can sell it.
e. Orange and yellow cars keep their value while white, black and grey are more popular.
f. People buying cars prefer cars that use the cheapest fuel on the market.
g. Not much. It is nearly impossible to get the smell of smoke out of your vehicle.
h. People don't know replacing a windshield is cheap, a broken one makes it harder to sell the car.
