

I can feel the wave approaching

All these \_\_\_\_\_ messing with my peace of mind

And I'm stuck beneath the surface

Forever \_\_\_\_\_, trying hard to force a smile

Something you said left a \_\_\_\_\_ in my chest

Don't know what to do

Wear a nice \_\_\_\_\_ try to cover the mess

When I'm feeling blue

I'm all choked up for no good reason

What's \_\_\_\_\_ with my head?

Must be \_\_\_\_\_ season

I'm all messed up

Don't know what I'm feeling

What's \_\_\_\_\_ with my head?

It must be the \_\_\_\_\_ because I'm crying again
