WRITING — A restaurant review

Have you eaten out recently? Write a review of a restaurant, café, or food truck. Choose at least five questions from the list. Answer these questions and add ideas of your own.

- What's the name of the place?
- When did you go there?
- What time did you go?
- Who did you go with?
- What did you have to eat?
- What did you have to drink?
- Did you order dessert?
- What did you like about the place?
- What didn't you like about it?
- Would you recommend it? Why? Why not?

Which other place would you like to try?
