

Name:

Course:

Choose the correct words. Be careful: some are adjectives (describing the house) and some are adverbs (describing how the detective or neighbor moves).

The Mystery of the "Historic" House

The Entrance: I entered the house 1. quiet / quietly. It is a 2. traditional / traditionally cottage from the outside, but inside it is 3. totally / total different. The hallway is 4. slightly / slight dark, but the living room is 5. breathtaking / breathtakingly!

The Living Room: The room is 6. open-plan / open-planned, so I can see the kitchen from the sofa. It is 7. extreme / extremely 8. spacious / spaciously, with enough room for ten people. However, the desk in the corner is 9. absolutely / absolute 10. cluttered / clutteredly with papers and metal parts.

The Evidence: I found a 11. historic / historically map on the table. The neighbor has been studying it 12. hard / hardly for weeks. 13. Near / Nearly the map, there was a fancy 14. modern / modernly gadget. I tried to pick it up 15. careful / carefully, but I 16. near / nearly dropped it on the stone floor.

The Escape: Suddenly, I heard a car. The neighbor drives very 17. fast / fastly. I had to leave 18. quick / quickly. 19. Lucky / Luckily, I found a back door. The house is 20. cosy / cosily, but the man who lives there is very dangerous!
