

Exercise 1:

I spent an enjoyable day in the countryside about a few months ago. This place was not very far from where I lived and it was easy to get there. It was a very beautiful place. There was a flowing river with clear water that made it more beautiful. I could see some cows **roaming** the field and eating grass. My brother and sister also went with me that day. With the sun shining and a blue sky over our heads, the day was perfect for enjoying the countryside. After arriving there, we relaxed and enjoyed the natural view around us first. Then we rented a boat and rode **it** into the river to do some fishing, and luckily, we caught some big fish. Finally, we decided to go for a walk in a beautiful small forest where we **discovered** a lot of birds and animals. We tried to count how many different kinds of birds and animals there were, but we **failed** because there were so many.

I really enjoyed our day out because it brought me close to a very peaceful and **natural environment**, away from the busy and noisy city life.
