Term 3 Worksheet II

Tenses: In grammar the word **Tenses** refers to the **Time** when something happens.

When things happen at different times we change the verb to indicate when something happened like the word "eat" being changed into the word "ate".

There are <u>Four</u> basic kinds of <u>Tenses</u>:

The Simple Tense: Used for everyday occurrences

The Progressive Tense: Used for a process that takes a while

The Perfect Tense: Used when one thing happens before another

The Perfect Progressive Tense: Used when one process happens before another

Each Tense has three Variations **Past, Future and Present.**

The Past Progressive Tense:

Exam Question 1: When do we use the Simple Past?

Exam Answer 1: When two things were happening at the same time or, when something that happened in the past took a while to complete.

Example: While you <u>were eating</u> lunch, I <u>was reading</u> a book.

Exam Question 2: What happens to the verb in the Past Progressive Tense?

Exam Answer 2: The past tense form of the verb *to be* is placed in front of the verb and the present participle: "*-ing"* is added to the end of the verb.

Examples: "Eat" becomes "<u>was/were</u> eat<u>ing</u>", Walk becomes "<u>was/were</u> Walk<u>ing</u>", "Drink" becomes "<u>was/were</u> drink<u>ing</u>".

Time words: When/ While.
