Student Status

Student Status *is a dating website for college and university students. Read Victor's profile on the website.*

My name's Victor and I'm 25 years old. I'm from Brasilia and I'm single. I'm studying Business Studies at London University. It's really interesting and I love London. My mum and dad are English teachers for an online language school in Brazil – so my English is good. I want to work in Europe when I leave university – perhaps at a travel company because travelling is my favourite thing to do.

People think that I'm a quiet person when I first meet them, but my best friends in Brasilia say that I'm very talkative! I don't like team sports very much, but I love running. I run with a running group from my university. The people in the group are very friendly and we see new areas of London every week – London is a very beautiful city, but cold! I run most days, sometimes with the group and sometimes alone, and I try to eat lots of healthy food.

I live in a house with three other students. We go out to a restaurant together every Friday night. I enjoy trying new food and talking together. At the weekend, my three housemates like loud bars and clubs, but I prefer museums and cafés.

I've got short black hair and brown eyes, and I'm slim because of all the running I do. Sometimes I have a beard but I don't at the moment. I'm looking for a partner who is kind and funny. I'd like to meet someone who has the same interests as me.

Would you like to go on a date with me? If so, I'm waiting for your reply!
