

## 🎵 HAVE YOU EVER?

1- 🎧 Listen and complete the song with the words you can identify: 🎧 Song - Have you ever.mp3

I have tried, I have failed  
I have \_\_\_\_\_ a thousand tales  
I have run, I have stayed  
I have fought, I wasn't \_\_\_\_\_

No time, no place  
It's written on my face

**(Chorus)**

Have you ever \_\_\_\_\_ this way?  
Have you ever walked away?  
Have you ever lost control  
But never lost your soul?

I have lived, I have \_\_\_\_\_  
I have crashed, I have burned  
I'm still here, can't you \_\_\_\_\_?  
This is who I've come to be

She has \_\_\_\_\_, she has healed  
He has broken, he has rebuilt  
We have \_\_\_\_\_, we have done  
We're not done. We've just begun

No yesterday, no timeline  
Just scars that still \_\_\_\_\_  
If it's alive inside of me  
That's my reality

**(Chorus)**

Have you ever \_\_\_\_\_ too loud?  
Have you ever stood your ground?  
Have you ever \_\_\_\_\_ "no more"  
Then kicked down every door?

I have grown, I have \_\_\_\_\_  
Nothing stays, nothing remains  
But I'm here, yeah I'm free  
That's the man I \_\_\_\_\_ to be

2-  Let's take a look at the expressions from the song:

- a) **a thousand tales** = many stories, many adventures.
- b) **written on your face** = your emotions and thoughts are so obvious that everyone can "see" them just by looking at you.
- c) **walk away** = to escape casually or irresponsibly from a situation.
- d) **lose your soul** = when you feel "broken", profoundly disconnected from yourself or others.
- e) **scars that still shine** = physical or emotional scars that remain visible and are proof of healing and having survived a difficult experience.
- f) **stand your ground** = to stand firm, to resist, not to give in, not to retreat.
- g) **kick down every door** = to overcome obstacles, break barriers, and refuse to take "no" for an answer to achieve a goal.

3-  Complete the table with the original verbs (infinitive form):

past participle	infinitive	past participle	infinitive
tried	to try	broken	
run		rebuilt

### TIME TO PRACTICE - MINI DIALOGUES

## 1- Noodles 🍜

**A:** Ugh, I'm starving... I'm gonna eat those noodles in my cabinet. Want some?

**B:** Nah, I'm good. I ate.

(awkward silence)👁️👁️

**A:** ... And?

**B:** What?

**A:** You said "I ate." Ate WHAT? When??  
Yesterday? This morning??

**B:** Bro, why are you interrogating me? 😭  
I just meant I'm not hungry!

**A:** OH! Then say that!

**B:** I DID!

**A:** No, you told me a story 😞

**B:** A story??

**A:** Yeah! "I ate" sounds like past... So it looked like you were going to continue the story... that you were about to explain WHEN.

**B:** Ohhh...

**A:** If you mean "I'm not hungry now," say: "I've already eaten."

**B:** Okay, okay... I've already eaten. No noodles for me.

**A:** Finally 😏

## QUESTIONS

**1- Why was A confused when B said "I ate"?**

- a) Because he didn't understand English
- b) Because B didn't say when or what he ate
- c) Because A didn't like noodles

**2- What did B really want to say?**

- a) He ate yesterday
- b) He is not hungry now
- c) He loves noodles

## 2- Keys 🗝️

**A:** Hey, let's go! We're late!  
**B:** Yeah, yeah... just a second... I lost my keys.  
**A:** Oh, really?! When? Where did you find them?  
**B:** Uh... I don't know.  
**A:** How so?  
**B:** Bro, I don't know 😞 I just can't find them!  
**A:** Wait... so you mean you DON'T HAVE your keys right now?  
**B:** YES, that's exactly what I mean!  
**A:** Then say that!  
**B:** I DID! I said "I lost my keys!"  
**A:** No, that sounds like a story again 😞 I thought you were gonna tell me when it happened and everything.  
**B:** So what should I say??  
**A:** Say: "I've lost my keys."  
**B:** ...I've lost my keys.  
**A:** See? Now I understand – it's a problem NOW.  
**B:** Exactly! And now we're REALLY late.

## QUESTIONS

**1- Why does A ask many questions (when, where, etc.)?**

- a) Because he is curious
- b) Because "I lost my keys" sounds like a past story
- c) Because he doesn't believe B

**2- What is the real problem?**

- a) B lost his keys last week
- b) B doesn't have his keys now
- c) B doesn't like his keys

**3- Why is present perfect better in this situation?**

- a) Because it sounds more formal
- b) Because it connects the past to the present
- c) Because it is longer

**3- Job Interview** 🧑‍💼

**Interviewer:** So, tell me a bit about your experience.

**Candidate:** Sure! I worked in sales.

**Interviewer:** Okay... when?

**Candidate:** Uh... last year.

**Interviewer:** I see. Anything else?

**Candidate:** I worked with customers. I solved problems. I helped the team.

**Interviewer:** (pauses) 😞 Alright... but are you still capable of doing those things now?

**Candidate:** Of course I am!

**Interviewer:** Then show me that.

**Candidate:** ...what do you mean?

**Interviewer:** Don't tell me just a past story. Connect it to NOW.

**Candidate:** Oh...

**Interviewer:** Try again.

**Candidate:** Okay... I've worked in sales. I've dealt with customers. I've solved different kinds of problems.

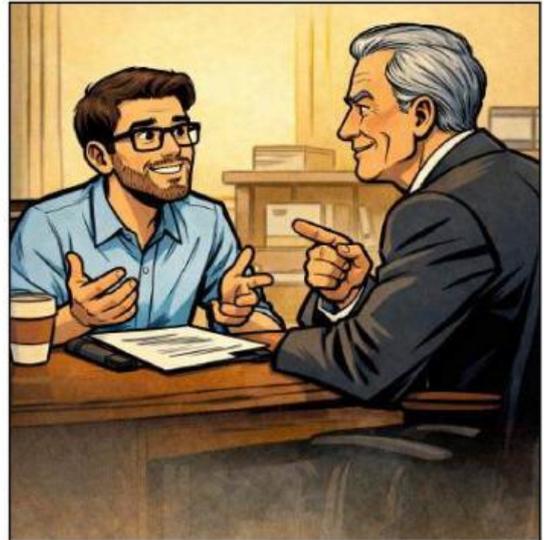

**Interviewer:** That's better.

**Candidate:** Because it means I still have that experience now, right?

**Interviewer:** Exactly. Now you sound professional.

**Candidate:** Got it... So it's not just about the past... it's about what I bring to the present.... the results of that past, the consequences...

**Interviewer:** Now you're speaking my language! 😊

## QUESTIONS

**1- Why is the interviewer not satisfied at first?**

- a) The candidate is nervous
- b) The candidate only talks about the past
- c) The candidate speaks too much

**2- What is the main lesson of the dialogue?**

- a) Always use long sentences
- b) Use simple past in interviews
- c) Connect past experience to present ability
