

Unit 1

- 1  Read the following text and answer the questions. Write **True (T)** or **False (F)**.

My Art Club

Hello! My name is Sofia and I go to an art club every Wednesday after school. I have many friends there and we all like different kinds of art. My friend Tom loves painting. He always uses blue and red in his pictures, but he doesn't like taking photos. Ava is in my group too.

She loves dancing and she practices every day because she wants to be a professional dancer. She doesn't like drawing, because she thinks she isn't good at it. Max is very funny. He likes acting and speaking in front of people, but he doesn't like music because he can't play an instrument. For me, pottery is the best! I like shaping bowls with clay, and I also enjoy drawing colorful animals. But I don't like acting; I get nervous on stage. Sometimes, our teacher organizes small exhibitions where we can show our work to parents. I love those days because I can see everyone's talents!
