"ENERGY SAVING SONG (TURN IT OFF)"

Stop, think, click that switch,
everybody _____like this
_____, think, click that
switch,
don't just walk on by

Turn it off,
please don't waste your energy
_____,
precious electricity
Turn it off,
please don't waste the
_____
Turn off the power

If you see a _____on
in the empty room next door
Stop and_____, wait a
minute,
who's that light on
using so much energy to
_____that lonely place?
All that _____is going
to waste
Fuel _____making
electricity
Turbine turning making electricity
Nuclear reactors making
electricity
_____capture making
electricity

_____,
please don't waste my energy
Turn it off,
precious _____
Turn it off,
please don't waste our energy
Turn off the power

If you _____the sound of a
fan, go round and round
But there's no one to be seen,
nope, no one to be found
You can _____the day
in a power-saving way
Take your_____, click the
switch,
and now you have saved the
_____
Coal burning making electricity
Turbine turning making electricity
Nuclear reactors making
electricity
Solar power capture making
electricity
