Harry Potter

Hi! I am Harry. I am a student at Hogwarts.
Today I am a little nervous because I have a test. But I am also excited because I like magic classes. My friends are with me, so I am happy. Hermione is very clever and organized. She is always ready for class. Ron is friendly and funny, but he is sometimes shy.
I am brave and a bit competitive. I like playing Quidditch. After class, we are tired, but we are happy.
