

## Worksheet 2

# How Do They Look Like?

### Instruction:

1. Read the text below!
2. Drag and drop the text structure to the correct part where it belongs.

### Language Structure

#### Identification

#### Description

This is Mr. Kim. He is our neighbor.

Mr. Kim always has short gray hair. He always wears his glasses too. He is average height and thin. He always shaves, so his face is always clean. Mr. Kim usually wears a green hoodie and dark blue jeans. He often stands outside near his house in the backyard. He sometimes waves at people who walk by.

Mr. Kim is always friendly and never rude. He sometimes talks to his neighbors and often shares vegetables from his garden!

## Part 2

### Instruction:

1. Read the text above!
2. Classify the vocabularies that you found according to the respective body parts!

|        |       |        |           |          |
|--------|-------|--------|-----------|----------|
| always | gray  | stands | sometimes | friendly |
| has    | thin  | talks  | often     | green    |
|        | wears | clean  | never     |          |

| Vocabulary | Meaning       | Language Feature |
|------------|---------------|------------------|
|            | kurus         |                  |
|            | berbicara     |                  |
|            | kelabu        |                  |
|            | tidak pernah  |                  |
|            | sering        |                  |
|            | kadang-kadang |                  |
|            | bersih        |                  |
|            | selalu        |                  |
|            | memiliki      |                  |
|            | berdiri       |                  |
|            | memakai       |                  |
|            | hijau         |                  |
|            | ramah         |                  |
