HELENA BONHAM CARTER IS SO TALENTED!

I first noticed Helena Bonham Carter in the 1 movies where she played Bellatrix, a Death Eater. She was the creepiest and most eccentric witch! Just unforgettable! That's when I became a huge fan... So I wanted to see what else she had been in. I was very 2 when I realised that she had starred in many " 3 dramas". She was so 4 , so 5 as King George VI's wife in ***The King's Speech***! Now I can safely say I've seen all her films, several times over, especially the Tim Burton films. She is so 6

Even before she was 20, Helena Bonham Carter had reached international fame thanks to her role in *A Room with a view* (1985).

MY FAVORITE ACTOR IS DEFINITELY LAURENCE FISHBURNE.

In the ***Matrix*** trilogy he was Morpheus and he was just 7 truly mesmerizing! Then, from 2008. he starred in three seasons of the 8 TV series ***CSI***. I watched every single 9 . After that, from 2013 to 10 he appeared in at least half a dozen films. What I like about him is that he can really play characters, bad guys (as in ***Ride Along***) or good guys (as in the Superman movie ***Man of Steel***)... He doesn't play the same type of 11 every time. And he's more than just a great 12 I also admire him for his commitment as a UNICEF ambassador.
