

BEST FRIENDS

Hi, I **am** Julia and my best friend **is** Andrea. We **are** always together. We **are** 13 years old and we **are** in the same class. Andrea **lives** in the same street as me and we **like** to walk together. When we **have** a break in school, we **often** play games and **sometimes** we **have** lunch. We **always** go home together and **talk** about our hobbies. When we **finish** our homework we **always** talk. We **never** go to sleep without talking.

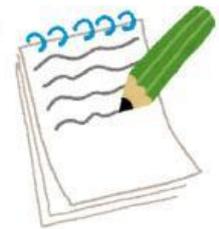

At the weekends, we **usually** go to the shopping mall. Andrea **always** wants to go shopping but I **sometimes** want to go to the cinema. We **plan** our day together. On Saturdays, we **watch** movies, we **usually** eat pizza and **rarely** eat popcorn.

We **like** to wear beautiful clothes. When I **want** to wear jeans, I **often** ask Andrea to **give** me her T-shirt because she **has** really cool clothes. **Sometimes**, she **wears** my dresses.

Andrea **has** an interesting hobby. She **likes** to take photos. She **often** takes beautiful photos and she **always** collects the photos in her computer. I **have** a hobby too. I **write** poems and I **think** my poems **are** good. I **read** my poems to my parents and friends. They **love** them!
