

Sad memory	<input type="text"/>	Here's to the ones that we got, cheers to the wish you were here
Childhood memory	<input type="text"/>	When I was younger, my father told me I would be happy
Personal goal	<input type="text"/>	Because I'm happy, clap along if you feel like a room without a roof
Saying goodbye	<input type="text"/>	I'm on top of the world, I've been waiting on this for a while now
Confident	<input type="text"/>	Sometimes I feel like I'm all alone, no one understands me
Happiness	<input type="text"/>	We were dancing in the dark, with you between my arms
Feeling lonely	<input type="text"/>	I will always remember the day you said goodbye
Romantic memory	<input type="text"/>	I got that sunshine in my pocket, for that good soul in my feet
Family memory	<input type="text"/>	I remember years ago, someone told me I should take caution
Life lesson	<input type="text"/>	These are the nights that never die, my father told me
