

Name: _____ Date: _____

1 More, 1 Less, 10 More, 10 Less: Knowledge Check

Small Steps: 1 More and 1 Less

Remember: Think of a path! Hop right for **1 more** (number grows). Hop left for **1 less** (number shrinks).

Find **1 less** and **1 more** for each number. Write your answers in the empty boxes.

1. Starting number: 24
2. Starting number: 58
3. Starting number: 89

| 1 Less (Hop Left) | Start | 1 More (Hop Right) |
|--------------------------|--------------|---------------------------|
| | 24 | |
| | 58 | |
| | 89 | |

Giant Leaps: 10 More and 10 Less

Remember: On a hundred chart, jump UP a row for **10 less**. Jump DOWN a row for **10 more**. Only the **tens digit** changes!

Find **10 less** and **10 more** for each number.

- Starting number: 45
- Starting number: 72
- Starting number: 31

| 10 Less (Jump Up) | Start | 10 More (Jump Down) |
|-------------------|-------|---------------------|
| | 45 | |
| | 72 | |
| | 31 | |

Number Grid Puzzle

7. Oh no! Some numbers are missing from the hundred [chart](#). Start at **34** and fill in the 4 missing boxes around it.

| | | |
|---------|-----------|---------|
| | 10 Less: | |
| 1 Less: | 34 | 1 More: |
| | 10 More: | |

| | | |
|------------------|-------------------|------------------|
| | 10 Less | |
| 1 Less | 34 | 1 More |
| | 10 More | |
