Exercise 9: Read the story and answer the questions.

In India, people tell stories about King Akbar and his good friend, Birbal. King Akbar likes to ask Birbal tricky questions. Like Nasreddin, Birbal is a wise and funny man.

Birbal and the birds

King Akbar and Birbal were walking in the king's garden. Many birds were singing in the trees.

Birbal,' said King Akbar. 'How many birds are there in my kingdom?'

LIVEWORKSHEETS

Birbal thought for a few seconds and then he said, There are nine thousand four hundred and sixty-three birds in your kingdom.'
The king was astonished. 'Are you sure?' he asked. 'What if there are more birds than that?'
Birbal answered, 'If there are more birds than that, then some birds are visiting from other kingdoms.'
'What if there are fewer birds?' asked King Akbar.
'Then some of our birds have gone on holiday to other places,' answered Birbal.
King Akbar laughed. 'A very good answer,' he said. 'You are a clever man, Birbal!'

1. How many birds does Birbal say there are in the kingdom?
   a. 9,536 b. 9,463 c. 963
2. What do you think astonished means?
   a. sleepy b. very surprised c. busy
3. How do you think Birbal know how many birds there are?
   a. He counted them.
   b. He asked the birds.
   c. He doesn't know. He made a guess.
