

**2** Listen to a conversation between Mark and a restaurant manager, and decide whether the statements are true (T) or false (F).

	T	F
1. Mark is interested in working as a part-time server in a restaurant.		
2. The part-time servers will only work six hours a week.		
3. Mark will get training if he is accepted for this job.		
4. Mark doesn't need to interview for this job.
