

Summer wine

Strawberries, cherries and an angel's kiss in spring
My summer wine is really from all these things
I in town on silver spurs that jingled to
A song that I had only sang to just a few
She my silver spurs and let's pass some time
And I will give to you summer wine
Oh, oh summer wine
Strawberries, cherries and an angel's kiss in spring
My summer wine is really from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Oh, oh summer wine
My eyes heavy and my lips they could not speak
I to get up but I couldn't find my feet
She reassured me with an unfamiliar line
And then she to me more summer wine
Oh, oh summer wine
Strawberries cherries and an angel's kiss in spring
My summer wine is really from all these things
Take off your silver spurs and help me pass the time
And I will give to you summer wine
Mmm-mm summer wine
When I up the sun in my eyes
My silver spurs were gone, my head twice its size
She my silver spurs, a dollar and a dime

And me cravin' for more summer wine

Oh, oh summer wine

Strawberries, cherries and an angel's kiss in spring

My summer wine is really from all these things

Take off your silver spurs and help me pass the time

And I will give to you my summer wine
